

00:22:57 Alan Musy: If everyone could mute their video and audio, it will smooth out the presentation. Thanks.

00:49:42 Alan Musy: Great texture in that photo

01:12:57 Patrick Donnelly: Awesome presentationn

01:13:08 amberejohnson: Great presentation! Thanks for sharing!

01:13:39 Stephanie Burkemoore: Very well done. The kids mentioned they enjoyed your pace and storytelling tone, and they were thrilled by your photos.

01:13:51 Alan Musy: Very awesome presentation!

01:15:31 Colin Tyler: Great images! I was in Namibia right before you were in Botswana. We made it up to the far northeastern region on the Okavango River, just above where you were at and also saw a pack of wild dogs

01:16:31 David Neel: I'll probably see you up in Wiseman in March. I work in Prudhoe and will be driving the Haul road to Wiseman from Wasilla and spending a week or so chasing the lights and critters. Also looking at April going to Toolik Lake and that area for Muskox.

01:17:56 Robin: Namibia is awesome, especially if you like dune scapes.

01:18:21 Jen: Amazing images! I've been to both Namibia and Botswana and would love to go back!

01:19:53 Brian Kemp: Great presentation many awesome shots, very well presented

01:20:05 David Shaw: Thanks so much everyone!

01:20:31 David Shaw: Feel free to send me any questions you think of, or just to touch base: dave@david-w-shaw.com

01:22:10 Brian Kemp: G&T was favored in India to assist with Maria, quinine in the tonic

01:24:48 stuartpechek: Great presentation Dave.

01:24:58 Claire: PBS Nature has an excellent two-part TV show on the Okavango, one of which features the termite mounds.

01:27:38 Doug Hupp: Thanks for the great presentation

01:28:02 Robin: Awesome presentation. So enjoyed seeing Botswana again!

01:28:06 Glenn Aronwits: Great job David. I want to go!

01:28:15 Patrick Donnelly: Cool. Thanks!

01:29:00 Patrick Donnelly: cheers
